Title: Part of a Journal

Author: Unknown

.....With the army
defeated we were able
to seek out a powerful
mage....Mage Lord
Darthoridan was able
to create an
experimental spell
banishing Krell and
his generals from
this realm .....
unfortunatly,his
spirit was sucked
away as well .With
them gone we
scattered their
weapons, a Spear,a
Hammer, a Bow and
finnaly The Axe of
Krell to the 4 corners
of the world.We then
dismembered their
bodies burrying them
deep in the earth
where none
shall find them.
Know those who read
this how close this
world came to dying
...much of it was
destroyed in their
attacks i just
hope.....
